*What did you especially like about the reunion?*

- Meeting new relatives; choices Friday afternoon; Fiddlers Grove
- Just being able to be together; see the area where so much Gleaves history occurred
- Everything! People were great!
- Fantastic all things
- Liked Virginia Melton's historical presentation
- Passion for the Gleaves/Glaves families; Preserving our heritage for future generations; All the hard work already done! Great job!
- Sat supper caterer: excellent!

*What would you like to see changed?*

- Maybe limit the length of the presentations
- Thursday was really long. Enjoyed everything but too long
- Nothing, it was great! Day 2 was just a little too sedentary, but great overall
- Speakers stick to time scheduled; Thursday afternoon too long without a break between speakers
- Hotel selection: bad > staff very good, hotel maintenance very poor

*What are your suggestions for the next reunion?*

- Mornings speakers; afternoon activities; a little more relaxed
- None just yet
- Incorporate at least one 'optional' trip or visit to a tourist site; provide a bus or van RT; example: Nashville –Grand Ole Opry or historic house or river front; mix visit with sight seeing

*Anything else you would like us to know?*

- Please, please contact me if you ever visit the 'left' coast. We have 2 spare bedrooms. Thanks for the memories (Barb Glaves Cope)

*Optional: Your name*
