¹ HHB: *This almost verifies what I had always thought: That he died before New Hope Baptist Church was formed in Nov 1846. We do not know the exact date of his death, but it was before April 1849. Several of his family were active in this church but his name is not found in the records. Since he wrote his Will on Dec 5, 1846, he may have been ill and unable to participate in church activities.*

⁵¹ ASH: While indexing this book, a discrepancy was found with Elizabeth Gleaves HILL family. As a result, the footnote was added to Thomas Hill, who had originally been listed as Thomas Peyton Hill. Since then, HHB has replied: I was looking in my Cemetery book and was looking at the small list in the Thomas Gleaves Cemetery in Hermitage, Tn. (the one the Gleaves group cleaned up in March 2005.). I found: Peyton R. Hill....b. Nov. 10, 1828 d. Sept. 30, 1846. In memory of Peyton R., son of Robert S. and Elizabeth Hill.. NOTE: he was NOT alive for the 1850 census - so he is NOT the same as Robert, age 19. (b.1830-31) in the 1850 census. So..o..o.. it appears there WAS a Peyton as well as Thomas. Note parents married 12/15/1825.....Seems they had 4 sons. (wonder what his middle name was?)

⁵² Payton may have been a name associated with this family but have not been able to verify it

ASH: This person was originally listed as Thomas Payton Hill. See footnote above.
