<sup>50</sup> HHB: I cannot associate the 1910 Census: Benjamin F. Gleaves (1877); wife: Rosie (1892). They had been married only 1 yr and had twin daughters: Bertha and Lillian A. (born 1909). He was same age as the Benjamin Gleaves above, but information above indicates Ella Ruth died 10/1/1962.—unless perhaps they were divorced??) (Or...it is a different family??)

ASH: This is the family of Joseph Benjamin and Rosa Duke Gleaves that HHB is referring to in this footnote.

<sup>51</sup> According to Meusette Gleaves Tillman (Mrs. Russell Tillman)

<sup>52</sup> City of Nashville. Birth Certificate #196; lists parents: Benjamin F. Gleaves & Ella Ruth Courtney

<sup>53</sup> Information per Meusette Gleaves; Meusette G. Tillman is the daughter of Leon Franklin Gleaves. Meusette is living as of Dec 27/2004, but has advanced Alzheimer's.

<sup>54</sup> HHB attended school 8 years with Meusette Gleaves and her brother Charles. She had sisters Vallie & Vivian and perhaps 1 or 2 others.

Feb. 7, 1846

Dear Brother and Sister:

I take my pen in hand to inform you of my troubles and loss of friends. Last July about the 20<sup>th</sup> of the month JANE RAMSEY STAMP was brought to bed with twin children her and children all died. The same day my son WILLIAM B. GLEAVE's wife was put to bed and had a young daughter born and flooded fainted and died in seven hours the child lived and is doing well. More troubles I have seen many a merry Christmas but the last balanced (?) for all.

My beloved companion departed this life on the 24<sup>th</sup> of December last and was buried on the 25<sup>th</sup> Christmas Day. Her complaint was inflammation of the stomach she suffered three weeks and departed. During this time I was down with a sore leg is perfectly well at present. I went to the grave when we buried her. It being a cool day I took the Pleurisy(?) and I am not clear of it yet. I believe with care I shall recover again. I am almost a little at preasant and hope to recover. Sally left me at a short notice did not have much conversation with her. Her breath would not admit more than two or three words at a time. I am hard of hearing she called for Nancy Ann and desired us all to leave the room. She informed her that she was going to rest. And told her what to do with her closing and asked her if she was a going to get married Nancy Jane answered she was, and accordingly was married on the 20 of January to Mr. Cherry west of my farm half mile.

I have no house keepers but the black girls I am obliged to attend to myself Frank said he will get a wife to keep house shortly then I will be at liberty if my wife had lived until the 23 of May next she would have been 70 years of age. And if she had lived until the 16<sup>th</sup> day of March next we would have been married fifty years.

The conn\_\_\_? is all well except bad coals. You must write to me and let me hear from you all, nothing at preasant but in your loving brother until death. **Jas** you will please answer my letter at the receipt of this THOMAS GLEAVES

I wish sister Nancy<sup>80</sup> would come and spend this summer with me it would be a satisfaction to me to see her at my dwelling once more\_\_\_\_\_Sister Malvina<sup>81</sup> a lock of my hair also a lock of my beloved companion's hair for her to keep for sake as a sister
